

SIEMENS HEALTHINEERS BENEFITS COMPLY WITH WOMEN'S HEALTH AND CANCER RIGHTS ACT

As required by the Women's Health and Cancer Rights Act of 1998, Siemens Healthineers medical benefit programs provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and treatment of physical complications resulting from a mastectomy, including lymphedemas.

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedemas.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan.

If you would like more information on WHCRA benefits, call your Health Plan Administrator (Anthem BCBS or United Healthcare).
